The 3rd Annual Friends of St. Frances Cabrini Cancer Center Benefit was held June 20-22, 2019, in Kinder, LA, at the Coushatta Pavilion. We had a total of 945 entries during the event which more than doubled our entries from our first year. This past year we raised over \$70,000 from our 3rd annual event. Therefore, over the past 3 years, this event has given more than \$152,000 to the Patient Assistance Fund at the St. Frances Cabrini Cancer Center to help cancer patients during their time of need.

This race benefits the St. Frances Cabrini Cancer Center Patient Assistant Fund, which helps with prescriptions, fuel cards, meal cards, hotel stays and much more for the patients receiving care. Over 1,200 people are feeling the impact from our donations.

Friends of St. Frances Cabrini Cancer Center Benefit Barrel Race was founded by Scott Wells in 2017. To date, Heather Bertrand/Turnin' 3 Productions, LLC, has been the producer of the event. However, because this event has grown so quickly, this year it will be co-produced with Angela Hickman/Broken A Productions, LLC. Together, we have more than 15 years of experience producing barrel racing events in Louisiana. Our goals are to increase the number of participants, improve the quality of shows, enhance the image of barrel racing and raise awareness and money for the Patient Assistance Fund.

We would love to advertise your company as one of our sponsors. If you do not see a level that suits you or your company please give Scott a call to discuss the available options. All sponsorships, banners, donations, and awards need to be in hand no later than October 19, 2020, to ensure we have all promotional material ordered for the event. If you are choosing a level that includes your logo being placed on advertising material, please email it to [angela@hickmantrailersales.com](mailto:angela@hickmantrailersales.com). Your logo on the barrel(s) will be positioned in view of our official photographer. Your banner in the main arena will be hung in the arena for fans to see as well.

Thank you for taking the time to review our sponsorship request and for your consideration,

Friends of St. Frances Cabrini Cancer Center Benefit Barrel Race
